OFFICE OF PETITIONS

In re Patent No. 7,373,432	:	
Issue Date: May 13, 2008	:	
Application No. 10/684,057	:	DECISION ON PETITION
Filed: October 9, 2003	:	
Attorney Docket No. 1934-14-3	:	

This is a decision on the petition, filed February 6, 2009, which is being treated as a request under 37 CFR 3.81(b)¹ to correct the assignee's name on the Fee(s) Transmittal form PTOL-85(b) by way of a certificate of correction in the patent to be issued from the above-identified application.

The request is **GRANTED**.

Petitioner states that the correct assignee's name is "Lockheed Martin Corporation"- address in Bethesda, MD - and that the incorrect assignee's name and address was included on the Fee(s) Transmittal form PTOL-85(b) at the time of payment of the issue fee. Accordingly, petitioner requests that a certificate of correction be issued to reflect the correct assignee name and address on the front page of the Letters Patent in the patent.

37 CFR 3.81(b), effective June 25, 2004, reads:

After payment of the issue fee: Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter

¹ See MPEP 1309, subsection II; and Official Gazette of June 22, 2004.

The request was accompanied by a certificate of correction (and fee) as required by 3.81(b). Further, Office assignment records reflect that "Lockheed Martin Corporation" – address in Bethesda, MD - is the assignee of record. Accordingly, as the request complies with the provisions of 37 CFR 3.81(b), it is granted.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Inquiries concerning this decision should be directed to the undersigned at (571) 272-3230. Any questions concerning the issuance of a certificate of correction should be directed to the Certificates of Correction Branch at (571) 272-4200.

This matter is being referred to the Certificates of Correction Branch for processing of a certificate of correction after issuance of this application into a patent.
